THE FIVE
BEHAVIORS
OF A COHESIVE
TEAM

YOUR TEAMS CAN DO BETTER.

The Five Behaviors of a Cohesive Team[™] is an assessment-based learning experience that helps people discover what it takes to build a high-performing team. Bringing together everyone's personalities and preferences to develop a cohesive, productive team takes work, but the payoff can be huge—for your people, the team, and the organization.

What does this program do?

The program helps teams understand how they score on the key components of The Five Behaviors model: Trust, Conflict, Commitment, Accountability, and Results.

Individual team members will learn about their own personality style and the styles of their team members—based on the Everything DiSC® model—and how their style contributes to the team's overall success.

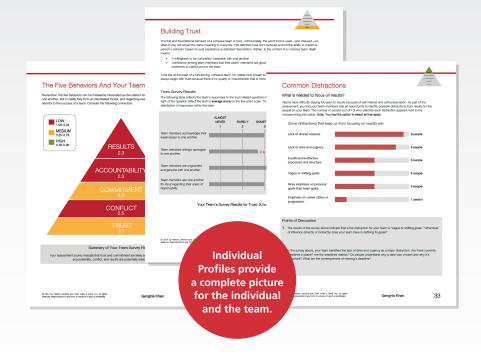

A productive, high-functioning team:

- Makes better, faster decisions
- Taps into the skills and opinions of all members
- Avoids wasting time and energy on politics, confusion, and destructive conflict
- Avoids wasting time talking about the wrong issues and revisiting the same topics over and over again because of a lack of buy-in
- Creates a competitive advantage
- Is more fun to be on!

The program includes:

- Assessment: 3 sets of questions, full adaptive version of Everything DiSC®, team survey, and team culture questions
- Individual Profiles, Team Progress Reports, and one-on-one Comparison Reports
- Participant handouts, take-away cards and activities
